### 4.1 Adoption/LCP/2020-21 Fiscal Year:

SB 98 establishes California EC Section 43509 and the LCP requirements for the 2020-21 school year. The LCP is a key part of the overall package for school districts that seeks to address funding stability for schools while providing information on how student learning continuity will be addressed during the COVID-19 crisis in the 2020-21 school year. The LCP replaces the LCAP for the 2020-21 school year. The CDE provided a template so that school districts could memorialize the planning process that took place in the months leading to the 2020-21 school year including descriptions of the following: addressing gaps in learning; conducting meaningful stakeholder engagement; maintaining transparency; addressing the needs of unduplicated pupils; students with unique needs, and students experiencing homelessness; providing access to necessary devices and connectivity for distance learning; providing resources and supports to address student and staff mental health and social emotional well-being; and continuing to provide school meals for students.

The LCP must be adopted by The Elk Hills School District Board of Directors by September 30, 2020. A copy of the LCP has been made available on the districts webpage and in the Superintendent's office. Prior to tonight's adoption, the LCP was presented at a Public Hearing for review and comment by members of the public on September 15, 2020.

### 4.2 Priority Cohorts: In-Person Instruction COVID-19 Safety Plan

Staff recommends approval of the Elk Hills School District's Priority Cohorts: In-Person Instruction COVID-19 Safety Plan. The plan is designed under guidance dated August 25, 2020 (and updated on September 4, 2020) from the California Department of Public Health (CDPH) for providing targeted, specialized support and services for schools that operate within a "Tier 1" due to COVID-19 health trends. The priority cohorts safety plan is not intended to supplant distance learning or for in-person instruction for all students, but rather provides differentiated targeted support for groups of students within fixed cohorts. The conditions are detailed in the Cohorting Guidance, which include: (1) limiting cohort size, (2) restricting cohort mixing, (3) maintaining proper safety measures, (4) prioritizing groups of students as outlined in the guidance beginning with students with disabilities. Under this guidance, CDPH states "students with disabilities should be prioritized by the LEA and school for receiving targeted support and services."
