Re: Notice of Intent to Reopen for In-Person Instruction

Pursuant to the Blueprint for a Safer Economy issued by the Governor's office on August 28, 2020, and other applicable authority, schools within a county are permitted to reopen for in-person instruction 14 days after the state transitions the county from Tier 1 to Tier 2.

On behalf of the Elk Hills School District ("District"), this document shall serve as official notice of the District's intention to begin the process of reopening its public school in a phased manner on October 28, 2020. The District will implement the reopening of its school pursuant to its Reopening Schools Plan prepared by District in consultation with current health and safety guidance from the California Department of Public Health. The District's current updated Reopening Schools Plan has been posted to its website. The schedule for reopening Elk Hills School will be maintained on the District's website. Thank you.
